The Botswana  
Network on  
Ethics, Law  
and HIV/AIDS

The Botswana Network on Ethics, Law and HIV and AIDS (BONELA) is a non-governmental organization (NGO), dedicated to creating an enabling and just environment for people affected by HIV and AIDS through the integration of gender-sensitive, ethical, legal and human rights dimensions into the national response to HIV and AIDS in Botswana.

BONELA provides the perfect opportunity for organisations to make an effective contribution to the eradication of HIV and AIDS in Botswana whilst, at the same time, providing training, capacity-building, mentoring and/or support to member organisations. An acknowledgement of each member-organisation's contribution toward the realisation of human rights is expressed through the awarding of grants and awards.
